Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Tuesday 09 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Snow showers for the east for Wednesday. Drier in west.

This Evening and Tonight:
The snow showers will mostly die off through this evening, leaving largely clear skies overnight. Widespread overnight frost across the country. Winds light mainly easterly. Minimum temperature -4 deg C (25 deg F).

Wednesday:
It will be largely dry and sunny in the west but a few isolated snow showers will remain in the east throughout the day. Largely dry and clear by evening. Maximum temperature 1 deg C (34 deg F).

Outlook for Thursday to Saturday:
Largely dry and fine on Thursday but winds picking up. Clouding over on Friday with some outbreaks of snow. Rain, sleet and snow pushing up from the southwest on Saturday.
